Dear Lamont:

Here are the family tree charts for your Dadi's parents. They are not complete, but I hope to add to them later. The earliest ancestors on the Sherley side came to Kentucky from Virginia in the late 1700's. Now I will attempt to learn where in Va. and trace them back overseas.

I also have some personal information about many people on the charts. As soon as I get it organized I will send you copies.

How have you been? I hope you are well. I'm sorry I didn't get a chance to see you while I was in Cincinnati. I wanted to, but I'm sure you've heard of the problems I experienced.

Stay in touch and let me know how you are.

Love,  
Uncle Jim.
